Hey there,

Was just seeking clarification on the Building Consent and Code of Compliance Certificate B/2009/2029.

The house is a heritage dwelling and I had a couple of question;

1) Does the Code Compliance Certificate pertain to a full Rep-pile and Re-level of the Existing Dwelling?

2) "Class: House Not Attached" what does this mean?

Thank you

Good afternoon,

Thank you for your enquiry.

1. The re-pile and re-level applies to the whole dwelling

2. House not attached, where it is a stand alone dwelling.

For example: The dwelling is not attached to an internal garage
